PROJECT COOPERATION

From project concept to manufactured product

Bygga manufactures floating accommodation, houseboats, modular homes and stand-alone homes in Poland. Hot tubs and saunas are complementary wellness products.

We can discuss product requirements with architects, consultants, developers and project teams where a project calls for floating, modular, residential or wellness solutions.

Product configuration and customisation are reviewed individually according to intended use and technical feasibility.

FROM CONCEPT TO MANUFACTURED PRODUCT.

PRODUCT PORTFOLIO

Four core categories + complementary wellness

Floating Accommodation

Houseboats

Modular Homes

Stand-Alone Homes

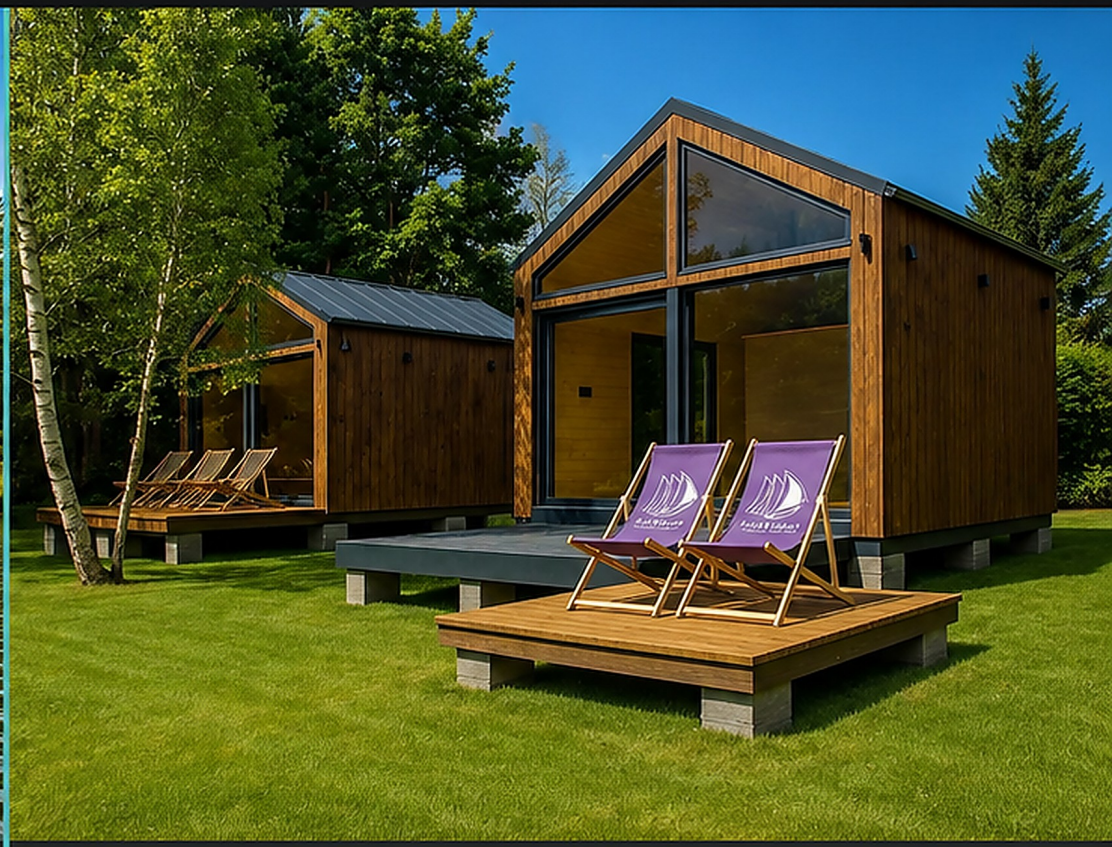

Hot Tubs

Saunas
