ABOUT BYGGA

One manufacturer. Multiple possibilities.

Bygga is a Polish manufacturer of floating accommodation, houseboats, modular homes and stand-alone homes. Hot tubs and saunas are complementary wellness products.

Our product range can support hospitality concepts across waterfront, resort, holiday-park, residential and wellness environments.

Depending on technical feasibility and intended use, layouts, finishes, equipment and selected exterior elements may be adapted to individual project requirements.

European manufacturing · Flexible configuration · Project-specific review

PRODUCT RANGE

Four core categories + complementary wellness.

Floating Accommodation

Houseboats

Modular Homes

Stand-Alone Homes

Hot Tubs

Saunas

BYGGA

WATERFRONT HOSPITALITY

Create accommodation on the water

Floating accommodation can extend a hospitality concept beyond traditional land-based rooms and create a distinctive waterfront accommodation offering.

POTENTIAL APPLICATIONS

- Marina accommodation
- Waterfront guest suites
- Floating hotel accommodation
- Resorts and holiday parks
- Houseboat rental fleets
- Destination accommodation
- Waterfront developments

MODULAR & STAND-ALONE ACCOMMODATION

Flexible accommodation on land

Contemporary modular and stand-alone accommodation for resorts, holiday parks, glamping developments, premium rentals and phased hospitality projects.

POTENTIAL APPLICATIONS

- Resorts
- Holiday parks
- Glamping developments
- Guest accommodation
- Premium rentals
- Holiday-home developments
- Tourism developments
- Phased developments
- Staff accommodation where suitable

Extend the guest experience

HOT TUBS

SAUNAS

Hot tubs and saunas can complement accommodation projects by adding dedicated private or shared wellness spaces.

Private guest-unit wellness · Shared resort wellness · Holiday parks · Premium rentals · Marina accommodation · Spa and leisure concepts

WHY BYGGA

A flexible product platform for hospitality projects

ONE MANUFACTURING RELATIONSHIP

Several accommodation and wellness categories from one manufacturer.

LAND + WATER SOLUTIONS

Potential solutions for waterfront and land-based developments.

CUSTOMISATION

Layouts, interiors, finishes, equipment and selected exterior elements may be reviewed for adaptation.

INDIVIDUAL OR MULTI-UNIT PROJECTS

Discuss projects ranging from individual units to larger developments.

EUROPEAN MANUFACTURING

Production in Poland supports direct commercial and technical communication.

PROJECT-SPECIFIC APPROACH

Each project is reviewed according to its site, intended use, configuration and technical requirements.

Hot tubs and saunas can also complement accommodation concepts as dedicated wellness additions.

PROJECT PROCESS

From concept to project

BYGGA

1. Project discussion
2. Product selection
3. Requirement review
4. Technical review
5. Project proposal
6. Final configuration
7. Production
8. Pre-delivery review
9. Transport coordination

PROJECT CUSTOMISATION

Adapted to the concept
