MARINA & WATERFRONT

Expand the possibilities of the waterfront

Bygga manufactures floating accommodation and houseboats in Poland for private, hospitality, rental and waterfront applications.

Our product range can support marina accommodation, houseboat rental operations, resorts, holiday parks and wider waterfront developments.

Projects are reviewed individually according to location, intended use, configuration and technical requirements.

Waterfront hospitality · Rental operations · Project-specific review

FLOATING SOLUTIONS

Two core solutions for waterfront projects

FLOATING ACCOMMODATION

- Marina guest accommodation
- Waterfront guest suites
- Floating hotel accommodation
- Resort / holiday-park accommodation
- Destination accommodation

HOUSEBOATS

- Private ownership
- Rental fleets
- Marina-based accommodation
- Leisure and managed accommodation
- Tourism projects

APPLICATIONS

More than a place to berth

Potential customer and project applications

- Marina accommodation
- Floating guest rooms
- Houseboat rental fleets
- Waterfront resorts
- Holiday parks
- Tourism destinations
- Private waterfront projects
- Hospitality developments
- Multi-unit floating accommodation
- Premium guest accommodation

From single-unit projects to broader waterfront concepts.

ACCOMMODATION

Designed around life on the water

Bygga floating accommodation and houseboats combine living space with direct access to the waterfront environment. Layouts, finishes and equipment may be adapted to individual project requirements, subject to technical review.

WATERFRONT LIVING

LIVING AREA

PROJECT FLEXIBILITY

From individual units to larger waterfront concepts

01

INDIVIDUAL UNITS

Solutions for private customers, operators and smaller hospitality projects.

02

MULTI-UNIT PROJECTS

Discuss larger marina, resort or waterfront accommodation requirements.

03

CUSTOMISATION

Layouts, interiors, finishes and equipment may be reviewed for adaptation.

04

PROJECT-SPECIFIC REVIEW

Each project is assessed according to destination, intended use and configuration.

05

EUROPEAN MANUFACTURING

Production in Poland supports direct commercial and technical communication.

06

COMPLEMENTARY PRODUCTS

Hot tubs, saunas and selected land-based products can complement wider waterfront developments where appropriate.

BEYOND THE WATER

Build a broader guest offering

Complementary Bygga products can support wider marina, resort and leisure concepts where relevant.

HOT TUBS

For private or shared wellness areas.

SAUNAS

For marina, resort and leisure wellness concepts.

MODULAR / STAND-ALONE

For complementary land-based accommodation or supporting development areas where appropriate.

PROJECT PROCESS

From waterfront concept to completed unit

01 Project discussion

02 Intended-use review

03 Product selection

04 Configuration

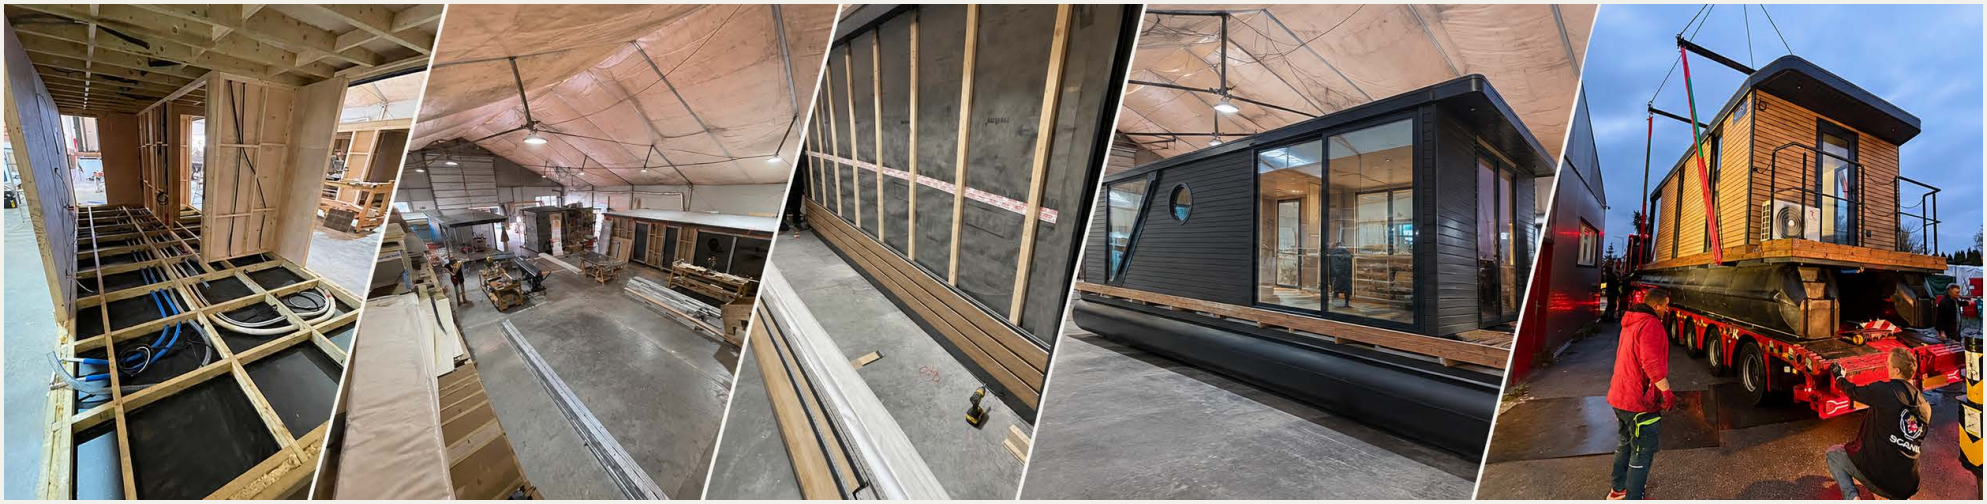

05 Technical review

06 Project proposal

07 Production

08 Pre-delivery review

09 Transport coordination

Manufacturing and pre-delivery activity in Poland.

BYGGA

LET’S DISCUSS YOUR WATERFRONT PROJECT

Planning a marina, floating-accommodation project, rental fleet or waterfront development?

Contact Bygga to discuss the product configuration and project requirements relevant to your location.
