ABOUT BYGGA

A manufacturing partner for diverse markets

Bygga is a Polish manufacturer of floating accommodation, houseboats, modular homes and stand-alone homes.
Hot tubs and saunas are complementary wellness products.

We work with commercial partners across Europe — dealers, distributors, representatives and project developers.

Products are customisable. Layouts, finishes, equipment and branding can be adapted to your market.

European manufacturing · Customisable products · Multiple cooperation models

PRODUCT RANGE

Four core categories + complementary wellness

FLOATING ACCOMMODATION & HOUSEBOATS

Life and leisure on the water

Floating accommodation units and houseboats for private owners, rental operators, marinas, resorts and hospitality developments. Current models include the FLUO range.

Applications

- Marina and waterfront accommodation
- Floating hotel rooms
- Holiday parks and resorts
- Private ownership
- Rental fleets
- Commercial waterfront projects

Current FLUO models range from approximately 8.5 m to 12 m in length, with usable areas from approximately 19 m² to 35 m². Selected equipment and propulsion options vary by model.

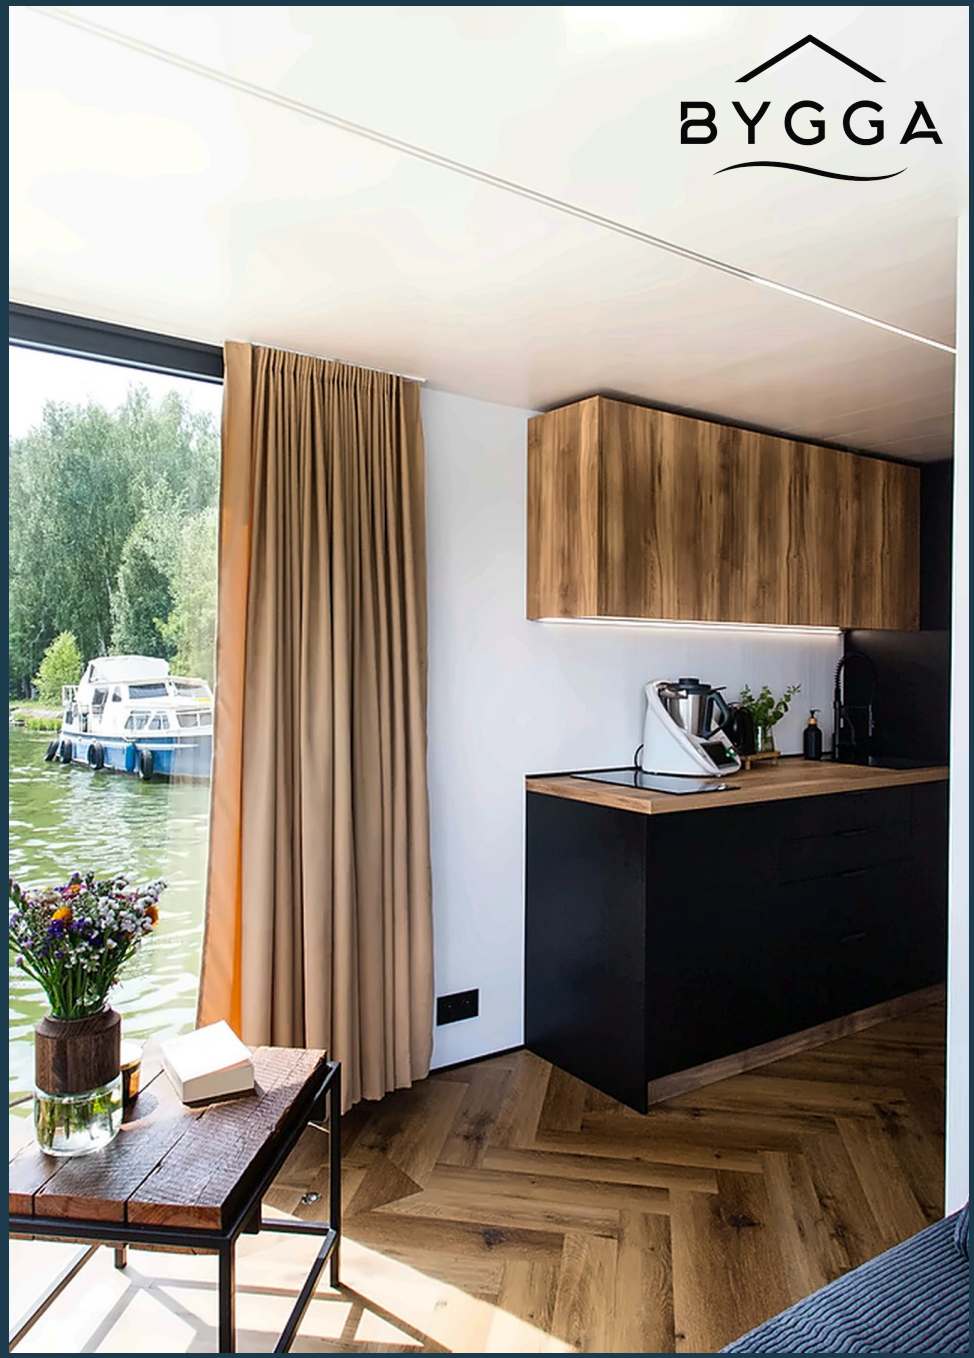

MODULAR & STAND-ALONE HOMES

Flexible living on land

Contemporary modular and stand-alone homes for resorts, holiday parks, residential projects and phased developments. Customisable layouts, finishes and equipment.

Applications

- Resorts and holiday parks
- Glamping and guest accommodation
- Private plots and residential
- Premium rental properties
- Phased developments

COMPLEMENTARY WELLNESS

A complementary wellness category

Hot tubs and saunas for private gardens, hotels, resorts, holiday parks, marinas and shared wellness zones.
A complementary addition to accommodation and leisure portfolios.

- Private gardens
- Hotels and resorts
- Holiday parks
- Marinas
- Wellness destinations
- Stand-alone commercial concepts

WHY BYGGA

Reasons to add Bygga to your portfolio

- **Four core categories + complementary wellness**

  Offer four core accommodation categories with complementary wellness through one manufacturing partner.
  products through a single manufacturing partner.

- **European manufacturing**

  Production in Poland supports direct communication, factory visits, product inspections and European transport planning.

- **Customisable products**

  Layouts, interiors, exteriors, equipment and branding may be adapted subject to technical feasibility.

- **Several cooperation models**

  Dealership, distribution, representation, brokerage, demonstration units, project cooperation or selected OEM arrangements.

- **Several customer groups**

  Serve private customers, marinas, rental operators, resorts, hotels, holiday parks, developers and investors.

- **Individual and multi-unit**

  From single units for private customers to larger developments for hospitality operators and investors.

COOPERATION MODELS

Flexible partnership structures

Dealer cooperation
Promote and sell selected Bygga products within an agreed market or customer category.

Distribution cooperation
Develop a wider regional sales network and coordinate local commercial activity.

Sales representation
Introduce customers and assist with commercial communication in return for agreed compensation.

Broker and referral
Introduce qualified customers or projects as a broker or intermediary.

Demonstration partner
Display or operate a Bygga unit so local customers can view the product directly.

Project cooperation
Cooperate on hospitality developments, marina projects, residential projects or multi-unit developments.

Private-label / OEM
Selected arrangements may be considered after commercial, technical, market and confidentiality review.
