TOURISM DEVELOPMENT

Create new possibilities for the destination

Bygga manufactures floating accommodation, houseboats, modular homes and stand-alone homes in Poland. Hot tubs and saunas are complementary wellness products.
The product range may support tourism, marina, waterfront, leisure and destination-development concepts across both land and water.

Each project is reviewed individually according to its intended use, location, configuration and technical requirements.

LAND. WATER. ACCOMMODATION. FLEXIBILITY.

CREATE MORE POSSIBILITIES FOR THE DESTINATION.

PRODUCT PORTFOLIO

Four core categories + complementary wellness

Floating Accommodation

Houseboats

Modular Homes

Stand-Alone Homes

Hot Tubs

Saunas

BYGGA

PROJECT FLEXIBILITY

From individual units to wider destination concepts

LAND + WATER

Potential products for both waterfront and land-based development.

CORE + WELLNESS RANGE

Four core accommodation categories with complementary wellness through one manufacturer.

INDIVIDUAL + MULTI-UNIT

Discuss individual units or larger project requirements.

PHASED DEVELOPMENT

Explore staged project requirements where appropriate.

CUSTOMISATION

Selected layouts, finishes, equipment and exterior elements may be reviewed for adaptation.

EUROPEAN MANUFACTURING

Production in Poland supports direct communication with the manufacturer.

PROJECT-SPECIFIC REVIEW

Each opportunity is considered according to the location, intended use and technical requirements.

PROJECT PROCESS

From destination concept to production

1. **Initial project discussion**
2. **Location and intended-use review**
3. **Product-category selection**
4. **Quantity and configuration review**
5. **Technical review**
6. **Project proposal**
7. **Final configuration**
8. **Production**
9. **Pre-delivery review**
10. **Transport coordination**

Production · construction · finished units · delivery preparation
